

OUI LOVE THE OUI DOCTOR ONCOLOGISTS!

HOW CAN OUI HELP YOU?

*The F*ck Cancer Consult*

- Targeted towards prevention of cancer or cancer recurrence
- We can personalize the patient's plan for weight loss or NON-WEIGHT LOSS dosing
- Microdosing tirzepatide reduces insulin hormone spikes which reduces potentiality for cancer cells to grow or re-grow
- MULTIPLE QUALITY OF LIFE benefits and management of co-morbid conditions being seen such as *improvement of inflammation, arthritis, and chronic pain often related to autoimmune diseases*
- Medical grade supplementation with Orthomolecular to optimize the patient's health including the 5 key supplements everyone should be on: Vitamin D, Reacted Magnesium, Probiotic, Fish Oil, and a multivitamin
- Experienced PAs on staff as well as dietitian
- Tirzepatide also improves outcomes in HEART FAILURE as recently noted by the American College of Cardiology, and our PA Rebecca Clawson has over a decade of experience in treating heart disease

TL;DR

- Tirzepatide almost immediately improves QUALITY OF LIFE & doesn't have to be used for weight loss.
- Exciting trials are happening now indicating help with:
 - **PREVENTING CANCER, OPTIMIZING HEART FAILURE, & IMPROVING CHRONIC PAIN ASSOCIATED WITH AUTOIMMINE DISEASES!**
- Our providers are EXPERIENCED, COMPASSIONATE, & can tailor a SUPPLEMENT REGIMEN because OUI ARE QUALITY OF LIFE SPECIALISTS!

**HAPPIER PATIENTS! HAPPIER DOCTORS!
THAT'S THE OUI LIFE BABY!**
